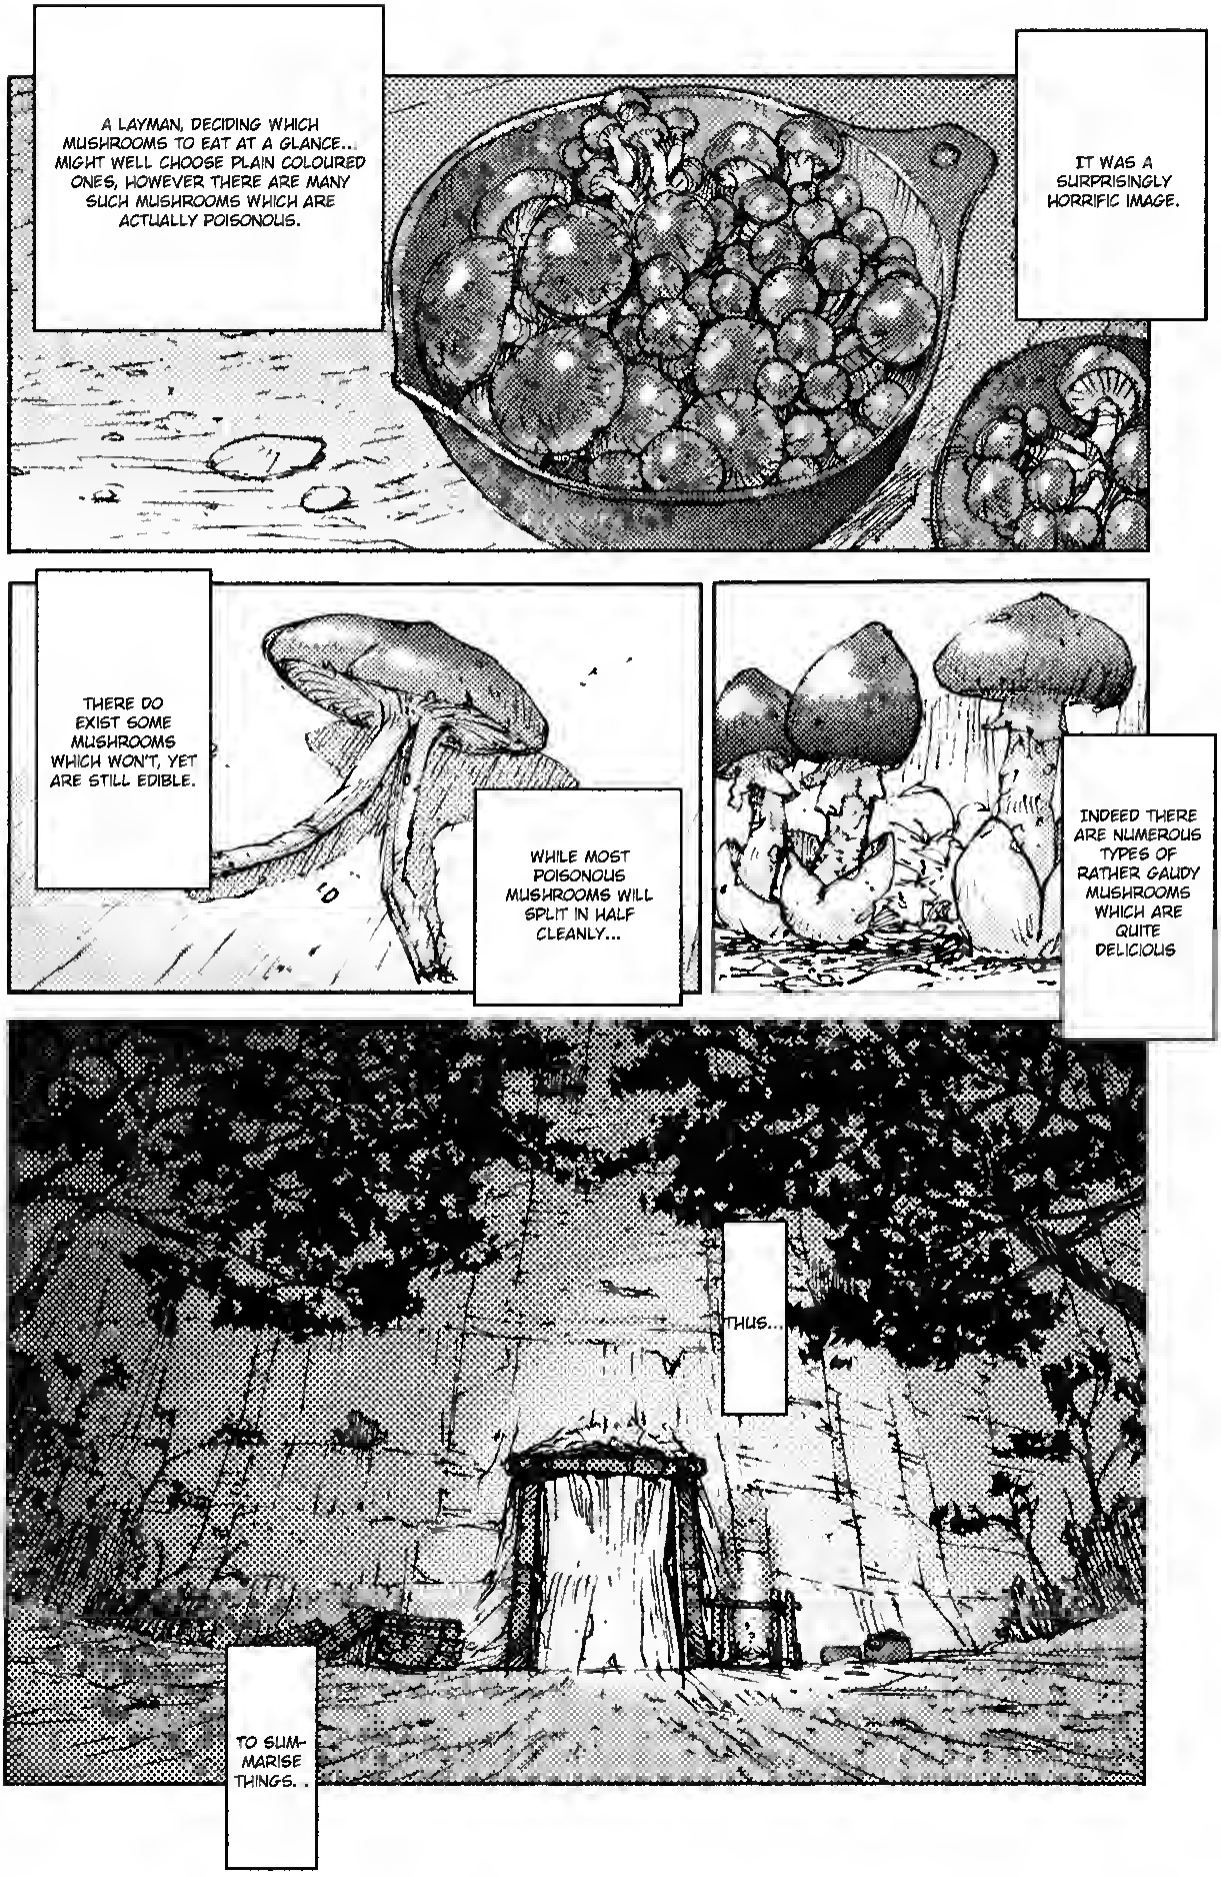
DANGER 12

WELL... I GUESS IT WASN'T PARTICULARLY WELL MADE.
...
IT'S NOT CAUGHT ANY-THING...
I'D BE HAPPY FINDING ANYTHING EVEN REMOTELY GOOD LOOKING..
HM?!
SLOWLY BUT SURELY, THE BOY'S WORK ON HIS HOME SEEMED TO BE COMING TOGETHER..
YET IN ORDER TO SECURE FOOD, HE NOW HAD TO PLUNGE EVER FURTHER INTO THE FOREST.

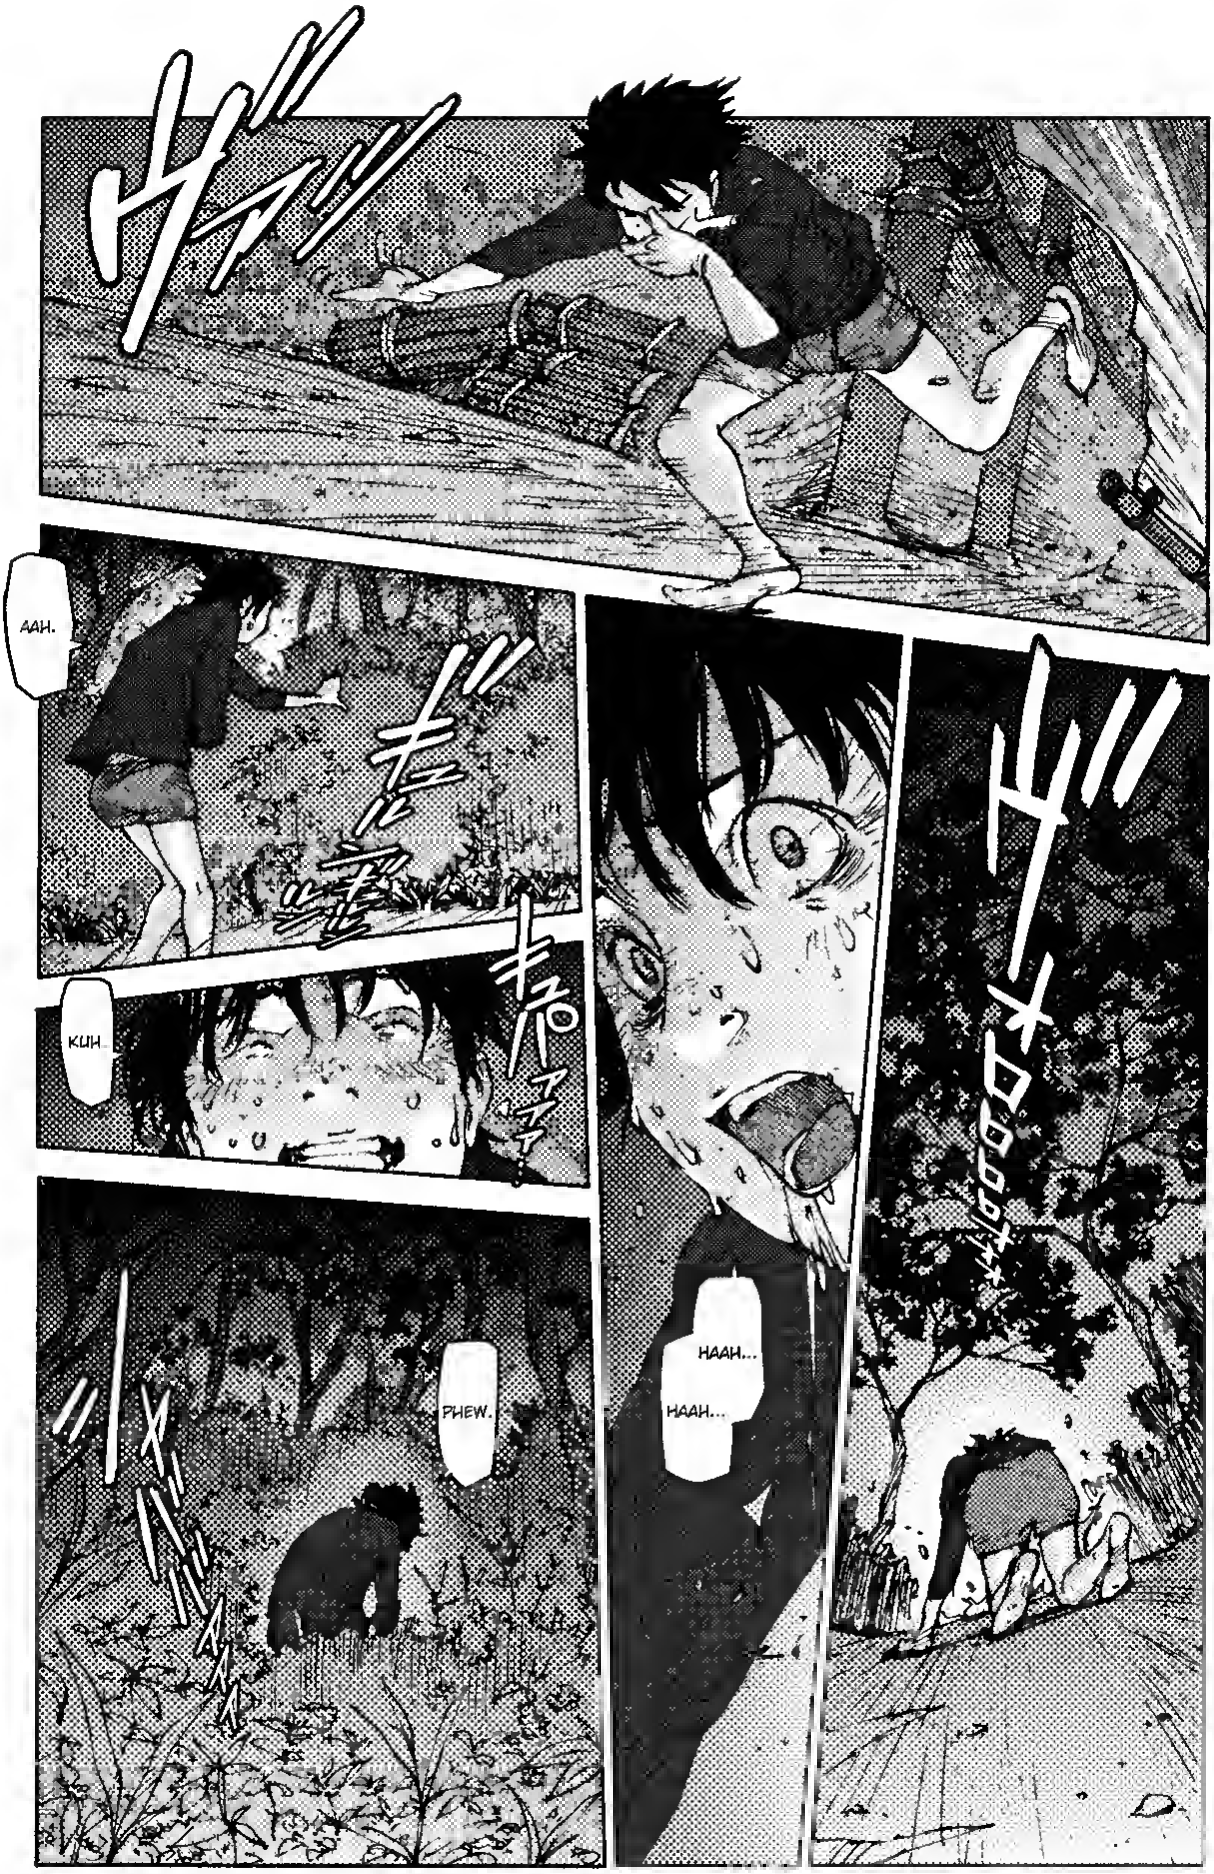
THESE ARE SHIITAKE AREN'T THEY!
OOH!
OH! THERE'S SOME OVER HERE TOO!
THERE'S LOADS OF THEM, LOADS!
OH! THERE'S SOME MORE HERE TOO!
THEY LOOK LIKE SHIMEJI.
WOAH, LOOK AT ALL THOSE BRIGHT COLOURS...
IT MEANS THEY'RE A NO GO THEN, AS THEY'LL BE POISONOUS.
AHAH! THEY CLEANLY TEAR IN HALF
GREAT.. THESE'LL BE EDIBLE.
ﾅﾝ...

YAY! I'LL BE HAVING MUSHROOM TONIGHT!
MUSH-ROOMS EH...
THAT REMINDS ME, AT THIS TIME OF YEAR . MUM WOULD OFTEN MAKE MUSHROOM GRATIN...

YEEAH... WHEN WE HAD PIZZA FOR TAKEAWAY THERE'D BE TONS OF MUSHROOMS ON IT TOO.
MM...
MM.
MM.
HEHE.
パク
WELL.
IT'S NOT LIKE MUM'S GRATIN OR THE TAKEAWAY...
BUT IT'S NICE IT'S NICE.
IN FACT IT'S PRETTY GREAT!



A LAYMAN, DECIDING WHICH MUSHROOMS TO EAT AT A GLANCE.. MIGHT WELL CHOOSE PLAIN COLOURED ONES, HOWEVER THERE ARE MANY SUCH MUSHROOMS WHICH ARE ACTUALLY POISONOUS.
IT WAS A SURPRISINGLY HORRIFIC IMAGE.
THERE DO EXIST SOME MUSHROOMS WHICH WON'T, YET ARE STILL EDIBLE.
WHILE MOST POISONOUS MUSHROOMS WILL SPLIT IN HALF CLEANLY...
INDEED THERE ARE NUMEROUS TYPES OF RATHER GAUDY MUSHROOMS WHICH ARE QUITE DELICIOUS
THUS...
TO SUM-MARISE THINGS..



AAH.
KUH...
PHEW.
HAAH...
HAAH...

WHAT COULD IT'VE BEEN?
THE HELL IS WITH... THIS TERRIBLE DIARRHEA.
S.. SO COLD.
HA!
IT COULDN'T BE
WERE THE MUSHROOMS I ATE POISONOUS...?!
